Dear Parents/ Guardians,

P3-P4 Tamil Reading Programme - Subscription of Maanavar Murasu (மாணவர் முரசு)

As part of your child's Tamil Language supplementary reading resources, your child would be required to subscribe to weekly issues of the Tamil newspaper called "Maanavar Murasu". The newspaper will expose students to many stories accompanied by interesting activities and current affairs to broaden their knowledge.

Details of Programme:

Number of Subscription Issues	25
Subscription Fee	\$12.50/annum
Subscription Term	Term 1-4
Total amount	\$12.50

Your child will be reading the newspaper every Monday morning as part of our Structured Reading Programme. We believe that providing access to this newspaper will not only complement our curriculum but also ignite a passion for reading and learning in your child. Your child will keep the newspaper at home for reference thereafter.

Please submit your consent in Parents Gateway by **31 January 2024**. If your child is a Singaporean and you have established an Edusave Enrichment Programme Standing Order, once your consent to your child's participation in the above programme is received, monies will be withdrawn from your child's Edusave account in accordance with your application. You will be notified by the school if there are insufficient funds in your child's Edusave account and payment by other means is necessary. If your child is a non-Singaporean, the payment will be deducted from Giro. Please note that once your child subscribes, no part or whole of the fee will be refunded.

Please feel free to approach your child's Tamil Language teacher should you need further clarifications.

We look forward to your support in embarking on this enriching journey.

Thank you.

Yours sincerely,

Tan Toon Lin, Jovis (Mdm)

Subject Head of Chinese and Tamil Languages
