

# Application for MOE FAS

Singapore Citizens in financial need may apply to receive financial help on fees and other school expenses.

The Ministry of Education provides financial assistance to students in Government or Government-aided schools who are Singapore Citizen and in need of financial support. This is to ensure that all Singaporeans, regardless of their financial background, can benefit from the many opportunities provided for them for their holistic development.

Eligibility and benefits of MOE Financial Assistance Scheme (MOE FAS) is available at the official MOE website at the following link:

<https://www.moe.gov.sg/financial-matters/financial-assistance>

If your child is eligible, you can download the MOE FAS application form or collect a copy from the General Office. Submit the completed form with all relevant documents directly to the school.

Alternatively, you may also submit your application form and relevant documents via the eFAS FormSG link: <https://go.gov.sg/moe-efas> or the QR code provided below.

## Application via hardcopy is required for the following categories of family:

- families with other dependents (e.g. great grandparents, aunts/uncles, cousins and others).
- families with more than 6 children in GGAS (Government / Government-Aided Schools)
- families with more than 5 unmarried children not in GGAS
- families with more than 3 grandparents in the household

Parents whose child is a ComCare recipient need not submit application for MOE FAS as it will be auto-generated to ComCare beneficiaries in GGAS.

Applicants whose family income is not within the MOE FAS's income criteria will be considered, on a case-by-case basis, for School-based FAS.
