Snacks which are encouraged
<ul style="list-style-type: none">• Steamed Bun (e.g. red bean bun)• Bread/Sandwich• Cereal (small box)• Vegetable sticks (e.g. carrot/cucumber)• Fruit (e.g. apple, berries and banana)• Dried fruit (e.g. raisins)• Energy Bar (e.g. muesli bar or oats bar)• Nuts• Whole meal biscuits

General Office Opening Hours:

As a single-session school, the General Office operates between 7.00 a.m. and 5.30 p.m. from Monday to Friday.

4. Arrangements for First Day of School

All **Primary 1 (P1)** students will start school from **Thursday, 2 January 2025**. On 2 January, parents/guardian will be allowed to accompany the child/ward into the school canteen to ease him/her into the school. This is to facilitate the onboarding of P1 students. More details have been provided to Primary 1 parents/guardians.

Primary 2 (P2) to Primary 6 (P6) students will attend school from **Friday, 3 January 2025 only**. However, Student Care Centres (SCCs) will be open for enrolled P2 to P6 students in the afternoon of 2 January. Parents/guardians who had requested for care arrangement for your child/ward on the morning of 2 January (reference to Parent Letter dated 30 October 2024, Notification PRPS2024/SM/019), you would have been informed of the arrangements made for your child/ward.

5. Health Matters

- Temperature Taking Exercise

To maintain the school's preparedness to activate its temperature-taking regime, as well as to educate our students to take personal responsibility for their own health and to practise social responsibility, the school will be conducting a temperature-taking exercise on **Wednesday, 15 January 2025**.

To prepare for the exercise, we will be conducting a pre-exercise check on Oral Digital Thermometers (ODTs). Please ensure that your child/ward brings his/her ODT which is in good working condition to school on **Monday, 13 January 2025** and **Tuesday, 14 January 2025** for pre-exercise checks. Those who need to purchase new ODTs may do so from the school bookshop or any pharmacy.

All P1 students will be issued with an individual ODT on 13 January 2025.

- General Well-being

We seek parents' support to keep schools a safe environment for students.

If your child/ward is unwell, please ensure that he/she stays at home and seeks medical attention if necessary. If your child/ward is recovering from respiratory-related illnesses, please encourage him/her to exercise social responsibility (e.g. by wearing a mask, minimising social interactions with big groups).

We appreciate your support and will continue to work with you closely. Let us all do our part to exercise personal and social responsibility and stay safe.

6. Student Safety and Security

- To ensure safety and security of the school environment, we will minimise visitors, including parents, from entering the school. All non-school personnel to report to the security guards at the security post to register for a visitor's pass.
- Parents should use communication channels such as phone, email, student handbook or video conferencing platforms to get in touch with school staff. In circumstances where face-to-face communication is necessary, please make an appointment so that the teachers you wish to meet can make time for you.
- As part of our efforts to instil responsibility in our students, parents are advised not to send items that their children may have forgotten to bring to school. We will use these teachable moments to help our children learn to be prepared for their learning, whilst ensuring their overall well-being.

- d. The school main gate will open at 6.30 a.m. from Monday to Friday. If you are driving or walking your child/ward to school, we seek your understanding to arrive at school from 6.30 a.m. onwards. The school premises will close at 6.00 p.m. daily. For parents who need to fetch your children/wards from the school-based Student Care Centre (SCC), you are advised to use the Red Gate before 6.00 p.m. and the Yellow Gate after 6.00 p.m.

- Road Safety

Please reinforce good road safety habits in your children/wards. Do remind them to use traffic light outside the school when crossing the road. As part of LTA's continuous efforts in enhancing road safety for students, motorists are to adhere to the speed limit of 40 km/h and below when entering a School Zone. A lower speed environment would provide motorists with more reaction time and this helps to enhance safety of the various road users.

Parents/Guardians are reminded to adhere to LTA's 'No Right Turn' sign outside the school which prohibits motorists from turning right when they exit the school from **6.50 a.m. to 7.30 a.m.** on Mondays to Fridays.

Parents/Guardians who are driving to pick your children/wards up from school are to wait for their children/wards at the public car parks at Blk 242/243 or Blk 235/241. Please do not obstruct traffic by parking your vehicles along Pasir Ris Street 21 or along the driveway of Blk 227/228.

We seek your cooperation in observing the traffic rules and continuing to exercise consideration for other road users and our neighbouring community.

- MOE Group Personal Insurance Plan for Students

Refer to the attached factsheet (Annex B) for the MOE GPA Insurance Plan for Students. Claims are to be submitted online at <https://studentgpa.incomegroupins.com.sg> and you may check the status of your claim at the same portal.

- Fire Evacuation Drill

To ensure staff and students remain prepared for emergencies that may arise, the school will be carrying out a fire drill on **24 January 2025 morning**. Staff and students will evacuate to an internal assembly area. Teachers will be on duty to guide the students and ensure their safety and well-being during the drill.

7. School Letters to Parents via Parents Gateway (PG)

As part of our environment-friendly practices, all letters and notifications to parents will be paperless and they will be issued via PG, a one-stop portal for parents introduced by Ministry of Education (MOE). This portal provides digital services for parents to enhance administration, student record management, consent requirements and communications for their children.

All parents are to download the PG app on your mobile devices via Play Store or App Store. You may also view the **MOE Parents Gateway** video for a step-by-step guide on how to download and use the app: <https://www.youtube.com/watch?v=tW9jwyuovOo&feature=youtu.be>

8. School Facebook and Instagram

In our ongoing efforts to enhance communication and engagement, we are proud to share the links to our school's official Facebook and Instagram. These platforms will serve as a space for us to share important announcements, updates, and highlights of our school activities. We invite you to like, follow and share our pages to stay connected and engaged with the school community.
