Dear Parents/ Guardians,

P5-P6 Tamil Reading Programme - Subscription of Sutti Mayil (சுட்டி மயில்)

As part of your child/ward's Tamil Language supplementary reading resources, he/she would be required to subscribe to monthly issues of the Tamil educational magazine called "Sutti Mayil". The magazine will expose students to many stories accompanied by interesting activities and current affairs to broaden their knowledge.

Details of Programme:

| | |
|-------------------------------|---|
| Number of Subscription Issues | 10 |
| Subscription Fee | \$3/Issue |
| Subscription Months | Semester 1: Jan-May & Semester 2: Jun-Oct |
| Total amount | \$30 |

Your child/ward will be reading the magazine every week as part of our Structured Reading Programme. We believe that providing access to this magazine will not only complement our curriculum but also ignite a passion for reading and learning in your child/ward. Your child/ward will keep the magazine at home for further reinforcement and reference thereafter.

Please submit your consent in Parents Gateway by **31 January 2025**. If your child/ward is a Singaporean and you have established an Edusave Enrichment Programme Standing Order, once your consent to your child/ward's participation in the above programme is received, monies will be withdrawn from your child/ward's Edusave account in accordance with your application. You will be notified by the school if there are insufficient funds in your child/ward's Edusave account and payment by other means is necessary. If your child/ward is a non-Singaporean, the payment will be deducted from GIRO. Please note that once your child/ward subscribes, no part or whole of the fee will be refunded.

Please feel free to approach your child/ward's Tamil Language teacher should you need further clarifications. We look forward to your support in embarking on this enriching journey.

Thank you.

Yours sincerely,

Mrs Jovis Lim-Tan Toon Lin
