8 January 2025

Dear Parents/Guardians,

P5 E2K Science Programme 2025

Your child/ward completed P4 E2K Science Programme last year. The two-year programme will continue to develop your child's/ward's interest in Science and deepen his/her scientific reasoning and understanding. It will be held on **Mondays from 3 March 2025, 2.10 pm to 3.30 pm**, in school. The teacher conducting the E2K Programme is trained by MOE. No payment is required for the E2K Science programme.

To ensure your child/ward gains the full benefits of the programme, we seek your commitment in supporting his/her consistent participation and engagement throughout the sessions. All students participating in the E2K Programme are expected to attend all scheduled sessions. By signing this form, you consent to your child/ward's involvement in the E2K programme and agree to encourage his/her dedication to completing tasks and attending all sessions.

The E2K Science Programme schedule and a list of frequently asked questions (FAQs) are attached for your reference. Kindly respond by 15 January 2025.

All students participating in the E2K Programme are expected to attend all scheduled sessions. The school reserves the right to withdraw students from the programme should they fail to maintain regular attendance. For any clarifications, you may contact Mdm Lin Xiuhui at 65822606 or email her at lin_xiuhui@schools.gov.sg

Yours sincerely,

Ms Liza Rahmat
Principal

Thank you for your understanding.

Frequently Asked Questions (FAQs)

1. Does the E2K curriculum align with MOE's Primary Science Curriculum?
The E2K curriculum is an enrichment programme. No prior knowledge on the topics covered is required. The lessons are designed for your child/ward to explore and acquire science concepts through inquiry.
2. What is the teacher-student ratio in an E2K class?
The teacher-student ratio is about 1:20
