Dear Parents /Guardians,

Assessment for Learning @ Primary One (P1)

Our P1 students will go through various modes of 'bite-sized' assessment as part of their everyday learning, where the emphasis is on the development of skills and values, as well as the acquisition of knowledge. Through these learning experiences, our students build confidence and motivation to learn and grow in their joy of learning. These assessments are not counted towards any overall mark or grade. There are no weighted assessments or examinations in P1.

Teachers will triangulate assessment findings from various modes of assessment to check for students' understanding and provide timely feedback to improve their learning. Please refer to the annex for details on the subject-specific learning outcomes for Semester 2.

We look forward to your partnership in cultivating the joy of and love for learning in our students.

Thank you.

Yours sincerely,

Ms Liza Rahmat
Principal
