## ArtsMania 2024

Dear Parents/Guardians,

We are thrilled to announce ArtsMania, a weeklong event organised by the Aesthetics Department. ArtsMania is an inaugural event that offers our students unique opportunities to delve into different activities related to the Arts that extends beyond the standard curriculum. Here are some highlights of the week's activities:

### Visual Arts – "Batik Batik"

- Assembly programme on batik-making, a celebration of vibrant colors and artistic expression.
- P1 and P2 students will have the opportunity to learn wax resist techniques and use them to create bookmarks at special booths setup in the canteen during their respective recesses.
- P3 to P6 students will work on batik pieces, which will be put together to form a collaborative artwork during their respective recesses in the canteen.

### Performing Arts – "Busking Fiesta"

- Students who wish to showcase their passion for the performing arts can register to put up busking performances at the school's netball court.
- Participants are required to submit videos of their intended performances via this link <https://go.gov.sg/prpsbuskingfiesta>
- The registration period is from **7 February to 21 February**.

We look forward to our students' active participation in ArtsMania.
