Notification No. PRPS2024/SM/003

Through the Principal

Dear Parents/Guardians,

Chinese Reading Programme - Subscription of Magazines and eZhishi Portal

As part of your child's Chinese Language supplementary reading resources, your child would be required to subscribe to a biweekly magazine at **\$26** per annum. This will also include the subscription of the eZhishi learning portal. The students will be reading the magazine as part of the Structured Reading Programme, Drop Everything And Read (DEAR). We believe that providing access to this magazine will not only complement our curriculum but also ignite a passion for reading and learning in your child. Your child will keep the magazines at home for further reinforcement and reference thereafter.

Please submit your consent in Parents Gateway by **31 January 2024**. If your child is a Singaporean and you have established an Edusave Enrichment Programme Standing Order, deduction will be made from your child's Edusave account in accordance with your application upon your consent to the subscription. You will be notified by the school if there are insufficient funds in your child's Edusave account and payment by other means is necessary. If your child is a non-Singaporean, the payment will be deducted from Giro. Please note that once your child subscribes, no part or whole of the fee will be refunded.

Please feel free to approach your child's Chinese Language teacher should you need further clarifications.

We look forward to your positive response and support in embarking on this enriching journey.

Thank you.

Yours sincerely,

Mdm Tan Toon Lin, Jovis

Subject Head of Chinese and Tamil Languages
