P6 Learning Journey to Pasir Ris Mangrove Swamp

We will be organising a learning journey to Pasir Ris Mangrove Swamp for our P6 students on 9 and 10 July 2024 during **curriculum hours**.

Students will also be given access to an online platform whereby they will be able to go through a virtual mangrove experience for them to carry out independent learning.

The objectives of the learning journey are to provide authentic learning opportunities for students to:

- connect knowledge and skills with the real world.
- understand the physical characteristics of a mangrove environment and how the habitat supports different types of flora and fauna.
- discover how different types of flora and fauna adapt to the mangrove environment.
- understand the need to conserve mangroves in Singapore.

| Class | Date | Schedule | |
|----------------------|--|--------------------------|-------------|
| P6 Em, P6 Si & P6 Te | 9th July 2024, Tuesday | Briefing & Departure | 0730 - 0800 |

| | | Board bus & Reach PRPS | 1000 - 1030 |
| | | Normal Timetable | 1030 - 1330 |
| | | *Recess 1100-1130 | |

Essential items to bring for learning journey:

| | |
|--|---|
| <ul style="list-style-type: none">• small bag• pen/ pencil• raincoat/ umbrella• clipboard | <ul style="list-style-type: none">• insect repellent• cap/ hat (optional)• water bottle• medication e.g. asthma inhaler (if necessary) |
|--|---|

Attire: Due to the nature of the activities, it is **mandatory** for your child to report to school in **School PE T-shirt, long pants & school shoes** (*tights/leggings are **not** allowed) on the day of the learning journey.

We hope the learning journey will evoke our students' curiosity and empower them to take ownership of their learning.

Yours sincerely,

Mdm Haryana Bte Mohd Isahak

Head of Department, Science
