Dear Parents/Guardians,

P4 Learning Journey to National Gallery Singapore - Museum Based Learning for Art Education

As part of a compulsory module of Art education, we are organising an educational Learning Journey to National Gallery Singapore for our P4 students on these dates: 4, 10 and 11 July 2024.

The objectives of the learning journey are to:

1. Understand the Museum as a custodian of Singapore's culture and heritage.
2. Learn about Singapore Art as part of all Primary 4 students' core learning experience in the MOE art syllabus.
3. Participate in Museum Based Learning activities that facilitate observation and inquiry into selected local artworks.

The National Gallery has requested that our students to avoid bringing bags as students will only be allowed to carry a pencil and their activity sheets for their visit. All belongings, except for pencil and paper will be placed in the museum lockers for safekeeping during their tour.

Students will have an extended recess from 10.00am to 10.45am to ensure that they have sufficient time to have a proper meal before they leave school.

There will be a break scheduled for our students during their visit. Please pack a light and dry refreshment such as sandwiches alongside a water bottle for your child/ward. Do note that coloured and sweet drinks are not allowed.

Kindly make the necessary transport arrangements for your child/ward upon his/her return at **3.00pm**.
