Description

Dear Parents/Guardians,

The school will be holding a Science Zoom webinar for P3 parents/guardians on **23 August 2024 (Fri) from 3.00 pm to 4.30 pm.**

The objective of the webinar is to help parents/guardian understand the skills and knowledge required to support their child/ward in learning Primary Science.

If you are interested, you can click on the link below to register. We will be sending you the confirmation email closer to the webinar date.

Should you have any questions pertaining to the learning of Primary Science, feel free to post your questions in the link below before the webinar session.

Regards,
Mdm Dawn Tan
LH Science
